Description:

The New River, creeks, limestone, timber, mineral springs, mountains, and railroads have shaped the small communities, industries, and tourism of Giles County, Virginia. Many once-bustling places in the county are quieter today, but buildings and landscapes of earlier times are still present and interesting to compare to photographs of the past.

I was born in Giles County and the photos bring back a lot of memories. I learned from the book about the history of the towns.
